

## U.S. Permafrost Association

# AGU Travel Grants for Early Career Permafrost Researchers

The U.S. Permafrost Association will be awarding two (2) travel grants at a value of \$500 each for U.S. based students and post-graduate researchers (within six years of their terminal degree) to attend the American Geophysical Union Fall Meeting 2018. The applicant must be first author on a permafrost-related research presentation at AGU. Preference will be given to an applicant who possesses both USPA and PYRN memberships. One of the grants are reserved for engineering disciplines. Undergraduate students are encouraged to apply.

**The application can be found at [www.uspermafrost.org](http://www.uspermafrost.org) or by emailing Daniel Vecellio at [djvecellio@tamu.edu](mailto:djvecellio@tamu.edu). The application is due October 21<sup>st</sup>, 2018 at midnight Central Standard Time.**
